WHAT ELSE MAKES ACTIV ONE
DIFFERENT?

In times of need, it may happen that other health insurance policies may not cover your entire hospital bill as there may be some non-medical **out-of-pocket expenses** which are generally not paid by insurers, such as gloves, cotton, face masks, etc. Due to this, you may end up paying 10-20% of your hospital bills from your own pocket.

Want to know how Activ One can offer our
customers **complete peace of mind**?

Our
CLAIM PROTECT#
feature comes to your rescue and
takes care of 100% out-of-pocket expenses!

Get 100% of your hospital
bills covered with us (up to
your Sum Insured), for a
worry-free experience if
and when you have to claim!
