Operations of “Bank on Wheel”

The “Bank on Wheel” model of implementation of Mobile Van of UCO Bank is extended in **24 locations** at present **covering 228 numbers of villages and 139625 households**. This UCO Mobile Bank is an infrastructure that provides banking services at the door step of customers in unbanked areas by linking to a base branch. It is an attempt to inculcate the banking habits among the rural masses by providing state of art technology along with Brand Value of Bank through its own staff.
